srinaths.cs21@bitsathy.ac.in | +91 9789294712

## EDUCATION

**SSLC** | KPK NATIONAL MATRIC HIGHER SECONDARY SCHOOL  
May 2018 - April 2019 | Tirupur, Tamilnadu  
• Percentage: **87.4**

**HSC** JAI SARADHA MATRIC HIGHER SECONDARY SCHOOL  
MAR 2020 - MAY 2021 | Tirupur, Tamilnadu  
• Specialisation : Computer Science  
• Percentage : **88.66**

**BACHELOR'S DEGREE** | BANNARI AMMAN INSTITUTE OF TECHNOLOGY  
NOV 2021 - JUN 2025 | Sathyamangalam, Erode  
• Course: Computer Science and Engineering  
• Cumulative Grade points: **6.56**

## PROJECTS

**SKIN DISEASE PREDICTION** | MACHINE LEARNING PROJECT

- This project presents a novel approach to skin disease classification utilizing the Efficient Net algorithm, a state-of-the-art convolutional neural network architecture.
- Leveraging its superior efficiency and effectiveness in handling large-scale image datasets, our model demonstrates remarkable accuracy in distinguishing between various skin diseases, aiding in timely and accurate diagnosis.

**E-COMMERCE WEBSITE** | MERN STACK PROJECT

- Developed and deployed a custom e-commerce platform using React, Node.js, and MongoDB, integrating product management, user accounts, and secure payment processing features.
- Enhanced website performance and UX design, improving load times by 25% and increasing user engagement and retention.
- Implement real-time order tracking, where customers can view the status of their order (e.g., received, in stock, out for delivery). Send push notifications when the order status changes.

## ACHIVEMENTS

**PAPER PRESENTATION** | DIGITAL MARKETING

- Presented paper on the topic of Digital Marketing at kumarguru college of technology(KCT)-Coimbatore

**COMPETITION** | MAZE SOLVER ROBOT

- Participated an Competition on Maze solver Robot at Indian Institute of technology(IIT) - Palakkad

## SKILLS

### LANGUAGES

- C
- C++
- PYTHON
- HTML | CSS
- SQL

### TOOLS | TECHNOLOGY

MONGODB | COLAB | MS EXCEL,WORD
